Orange

AI Visibility Report

Last 30 days · 6 Oct – 4 Nov 2026

Changes vs previous 30 days · 6 Sept – 5 Oct 2026

InBrief
powered by AI Sense

- Orange est perçue comme un leader en qualité de réseau fibre et mobile, mais ses tarifs sont jugés élevés.
- Le service client d'Orange reçoit des avis mitigés, avec des expériences négatives fréquentes au Maroc.
- La marque offre une bonne variété de forfaits mobiles, mais la qualité de la couverture réseau mobile est critiquée.

How AI perceives your brand

Corporate reputation across four dimensions

Brand Image

Positive

Acteur Majeur et Innovant — Orange est reconnue comme un acteur majeur et innovant dans le secteur des télécommunications en France et à l'international, associée à la connectivité et aux services numériques.
Engagement Client Renforcé — Les nouvelles signatures 'Orange est là' et 'Orange Kayna' au Maroc visent à renforcer la proximité, l'accessibilité et l'engagement envers les clients, malgré une perception parfois élitiste.
Qualité Réseau et Service Client — Orange est saluée pour la qualité de son réseau mobile et ses performances Internet, mais fait face à des critiques récurrentes concernant l'inefficacité de son service client et la gestion des pannes.

Employer Brand

Positive

Top Employeur et Culture Positive — Orange est certifiée 'Top Employeur' en France et en Afrique, avec une culture d'entreprise globalement bien notée, valorisant l'équilibre vie pro/perso et la diversité.
Engagement Digital et Humain — L'entreprise promeut une promesse d'employeur 'digital et humain', axée sur l'expérience salarié unique, le bien-être des employés et l'intégration des jeunes talents.
Défis de Charge de Travail — Malgré une fierté d'appartenance élevée, des critiques subsistent concernant la charge de travail, la pression et des problèmes de communication interne.

ESG / Sustainability

Positive

Numérique Responsable et Inclusif — Orange s'engage activement dans la réduction de son empreinte environnementale, l'économie circulaire et le développement d'un numérique responsable et inclusif.
Performance RSE Élevée — L'entreprise est reconnue pour sa Responsabilité Sociale d'Entreprise (RSE), se classant parmi les meilleures mondiales de son secteur pour sa performance ESG.
Stratégie ESG en Développement — Orange Maroc doit consolider ses acquis et développer sa stratégie sur les enjeux ESG émergents, notamment sur les aspects sociaux et de gouvernance, pour devenir une entreprise 'ESG by Design'.

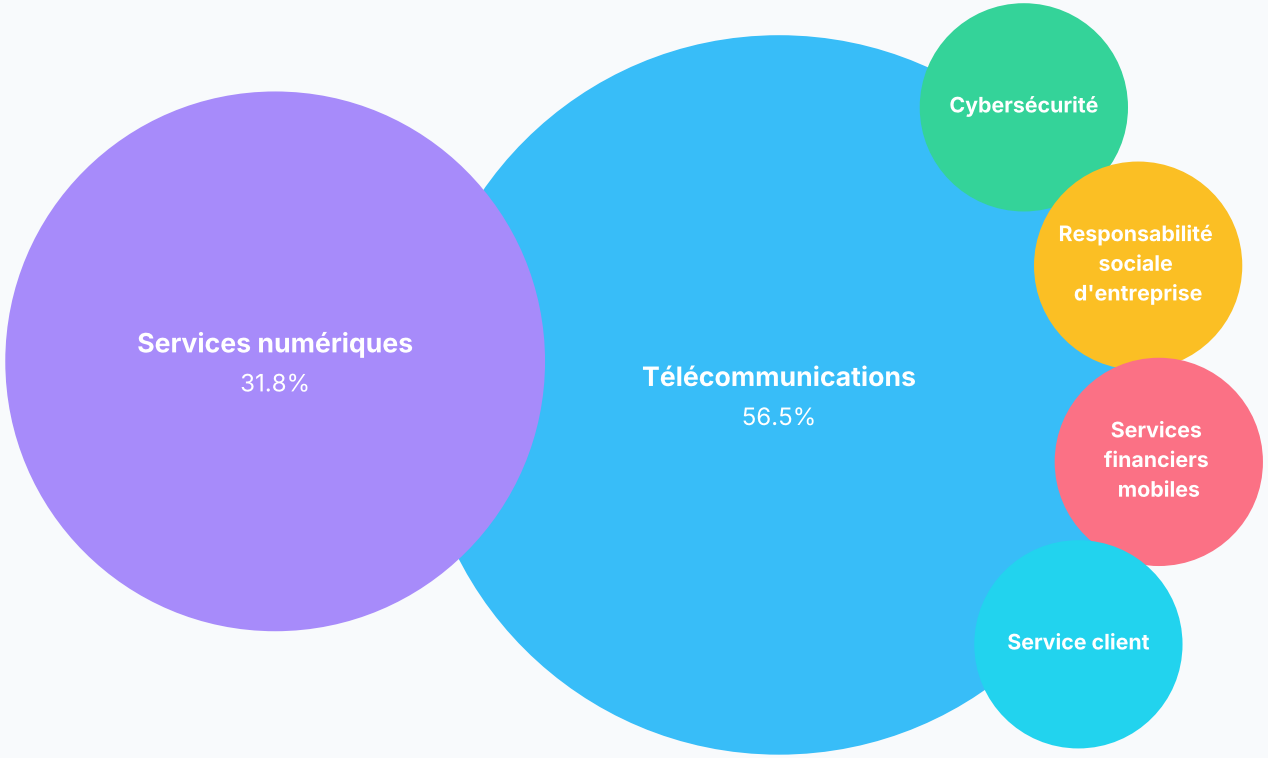

Leadership

Positive

Vision Stratégique et Transformation — La direction d'Orange, menée par Christel Heydemann, est reconnue pour sa vision stratégique claire et sa capacité à piloter la transformation numérique de l'entreprise.
Engagement Client et RSE — Le leadership d'Orange met l'accent sur l'engagement client, la communication responsable et les investissements en RSE, notamment au Maroc avec la promesse 'Orange Kayna'.
Excellence Opérationnelle et Innovation — La direction démontre un engagement envers l'excellence opérationnelle, la qualité du réseau et l'innovation, tout en intégrant l'éthique et la gouvernance dans sa stratégie.
